I'm having some difficulty finding the homework. I don't seem to have access to the email containing that information.

Searching Google Groups can be a bit challenging.

I have placed an archive of the significant emails I have sent to the class here:

https://isip.piconepress.com/courses/temple/ece_1111/email/2022_01_fall/

In the future, create a folder for this class and move incoming messages into this folder. Once the semester begins, you will receive a lot of emails related to the class.
