For those of you who recently registered for this course, you have some catching up to do. Please go here:

https://isip.piconepress.com/courses/temple/ece_1111/email/2023_00_spring/

and read the emails shown. You are responsible for this information.

A number of you have not completed the homework assignments I distributed. That is unfortunate because you missed out on some chances for extra credit, and you will start the semester playing catch-up 😞
