Please note that we will meet in the first week of class for our first lab (Weds. 3 PM to 5 PM).
The assignment is here:

https://isip.piconepress.com/courses/temple/ece_1111/labs/current/lab_01_v02.docx

This is based on work you should have completed over the break, so it should be a relatively simple lab to complete.

I will post an updated syllabus and class materials on the class web site tomorrow.
