To: "ECE 1111: Google" <temple_engineering_ece1111@googlegroups.com>

Once you have completed HW #6, which includes creating a LinkedIn account, you can earn an additional 50 points of extra credit by joining a group I maintain:

Temple University Department of Electrical and Computer Engineering

We use this group to discuss things relevant to your careers and our department. For example, we post job opportunities there.

Search for "Department of Electrical and Computer Engineering" and request to join. I'll accept your invitation and award your extra credit.
