We have had a number of people join the class late. Therefore, you need to pay special attention to this message.

ECE 1111 is a class unlike anything you have taken before. We have been preparing for this class since May 15. There are a series of 9 assignments that need to be completed before the class begins.

It is CRITICAL that you go here:

https://isip.piconepress.com/courses/temple/ece_1111/email/current/

and read all the emails carefully, including the assignments. There are about three weeks before class begins, which does not leave you a lot of time to prepare for this class.
