

# Temple IEEE

What is IEEE?

## Temple IEEE

- IEEE is a professional organization recognized around the world for advancing technology for humanity.
- Temple IEEE is a student branch associated with the Philadelphia Section and Region 2.

### What do we do?

Our goal is hosting events to help engineering students advance their careers, as well as creating a community to network and find their path into the real world.

## Why join?

- Scholarships
- Networking Opportunities
- Technical Workshops
- Collaboration with other organizations
- Leadership opportunities
- Student Activity Conferences (SAC)
- Multiple Chapters for specific fields/groups

**GBM Next Tuesday (9/8)**
