Item Description

[Top of Page](#)

- HDMI version 1.3a/b provides video resolution up to 1080p
- High-purity copper conductor for reliable signal transfer
- 24-carat gold-plated connectors ensure the best signal quality for your components
- Copper-braided, reinforced-aluminum shielding protects against signal loss and interference
- Deep Color supports 30-bit, 36-bit, and 48-bit (RGB or YCbCr) color depths for increased contrast ratio and to eliminate on-screen color banding for smooth tonal transitions

- Lossless Audio supports new lossless compressed digital audio formats, such as Dolby TrueHD and DTS-HD
- Non-slip ergonomic grip for easy use

About Our Prices

We strive to provide you with the lowest prices possible on Walmart.com as well as in our stores. However, sometimes a price online does not match the price in a store. Walmart.com's prices may be either higher or lower than local store prices. Our local stores do not honor Walmart.com pricing or competitor advertisements from outside of a store's local trade territory.

Don't Miss a Single Rollback or Special Offer!
